

QCRS Membership Vote - Exclusive Club Vendor

Purpose: To allow current QCRS club members to vote whether or not Wildman Rocketry should continue to be the exclusive vendor for the club.

Background: Wildman Rocketry has been the exclusive vendor for TQC/QCRS since Tim started the business in early 2004. The agreement has been that in order to be the exclusive vendor for the club, Wildman Rocketry must be present at all monthly club launches, as well as Midwest Power. Wildman Rocketry also has exclusive vendor agreements with neighboring clubs Tripoli Wisconsin and WOOSH.

I would like Wildman Rocketry to continue to be the exclusive vendor for QCRS:
